## Xpel™ Lubricant Storage

### Xpel™ Oil Storage Containers

*Keep your machines running longer with clean, dry oil.*

Keep the contaminants out of the oil and help eliminate lube cross-contamination with Xpel™ Lubricant Storage and Delivery containers. Your lubrication reliability efforts will take a leap forward once these reliability tools have been deployed in your operation.

- Keep lubricants clean and dry from the storage location to the application
- Create a visual color-coded system for operators, helping eliminate lube cross-contamination
- Make it easier to dispense lubricant
- Create and help promote best practice 5S methodology
- Help standardize processes and procedures
- Promote better housekeeping by keeping spills to a minimum

Available in ten color choices, five different lids and drum types, and multiple dispensing pumps, LE's Xpel™ Lubricant Storage & Delivery Container line offers flexibility for any size operation.

## Xpel™ Oil Storage Container Kits

At Lubrication Engineers we have made it easy to select, order and put together your Xpel™ Lubricant Storage Containers, by offering pre-configured kits. Each kit includes: Lid, drum, label ID kit (label pocket, color-coded label pocket frame, lockable drum ring, label leash, color-coded drum ring).

### Xpel™ Stumpy Spout Kit

Size	Part Number
1.5 L / US Quart	LEX-SSK1.5L**
2 L / US Quart	LEX-SSK2L**
3 L / US Quart	LEX-SSK3L**
5 L / US Quart	LEX-SSK5L**
10 L / US Quart	LEX-SSK10L**

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

### Xpel™ Stretch Spout Kit

Size	Part Number
1.5 L / US Quart	LEX-STSK1.5L**
2 L / US Quart	LEX-STSK2L**
3 L / US Quart	LEX-STSK3L**
5 L / US Quart	LEX-STSK5L**
10 L / US Quart	LEX-STSK10L**

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

### Xpel™ Mini Spout Kit

Size	Part Number
1.5 L / US Quart	LEX-MSK1.5L**
2 L / US Quart	LEX-MSK2L**
3 L / US Quart	LEX-MSK3L**
5 L / US Quart	LEX-MSK5L**
10 L / US Quart	LEX-MSK10L**

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

### Xpel™ Utility Lid Kit

Size	Part Number
1.5 L / US Quart	LEX-ULK1.5L**
2 L / US Quart	LEX-ULK2L**
3 L / US Quart	LEX-ULK3L**
5 L / US Quart	LEX-ULK5L**
10 L / US Quart	LEX-ULK10L**

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

### Xpel™ Storage Lid Kit

Size	Part Number
1.5 L / US Quart	LEX-SLK1.5L**
2 L / US Quart	LEX-SLK2L**
3 L / US Quart	LEX-SLK3L**
5 L / US Quart	LEX-SLK5L**
10 L / US Quart	LEX-SLK10L**

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

### Xpel™ Oil Storage Container Kits with Pumps

At Lubrication Engineers we have made it easy to select, order and put together your Xpel™ Lubricant Storage Containers, by offering pre-configured kits. Each kit includes: Lid, drum, label ID kit (label pocket, color-coded label pocket frame, lockable drum ring, label leash, color-coded drum ring). Kits with pumps are only available in 3-L, 5-L, 10-L drum sizes.

#### Xpel™ Premium Pump Kit

Size	Part Number	** Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.
3 L / US Quart	LEX-ULPK3L**	
5 L / US Quart	LEX-ULPK5L**	
10 L / US Quart	LEX-ULPK10L**	

#### Xpel™ Standard Pump Kit

Size	Part Number	** Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.
3 L / US Quart	LEX-ULSK3L**	
5 L / US Quart	LEX-ULSK5L**	
10 L / US Quart	LEX-ULSK10L**	

## Xpel™ Oil Storage Lids & Transfer Drums

### Stumpy Lid

This wide spout model with a 1" opening is especially designed for applications where a higher lubricant flow is required. Match with a Stumpy Extension Hose to extend spout reach if required.

Part Number - LEX-SS\*\*

### Stretch Spout Lid

Designed for use where precise pouring of lubricants is required, including hard-to-reach areas. With a 0.5" spout opening and longer spout, this lid is ideal for lower viscosity oils (<ISO 220).

Part Number - LEX-ST\*\*

### Mini Spout Lid

With an outlet diameter of approximately 1/4" (7mm), this mini spout is ideal for lubrication jobs where equipment filler holes are small.

Part Number - LEX-MS\*\*

### Utility Lid

Multipurpose lid with large 2" outlet hole ensures controlled fast pouring of lubricants. Match this lid to a 3-, 5- or 10-L/qt drum for use with a pump.

Part Number - LEX-UL\*\*

### Storage Lid

With this lid, drum bodies can be prefilled for storage or easier transportation. A convenient alternative to handling bulky 20-L/qt pails.

Part Number - LEX-SL\*\*

### Oil Transfer Drums

Tough, rugged industrial poly construction. Fully seals when fitted to any Xpel™ lid. Extra wide neck opening (4.7" / 120mm) for rapid pouring and easy cleaning. Made of heat-resistant materials with UV and anti-static additives.

Size	Part Number
1.5 L / US Quart	LEX-TD-015L
2 L / US Quart	LEX-TD-002L
3 L / US Quart	LEX-TD-003L
5 L / US Quart	LEX-TD-005L
10 L / US Quart	LEX-TD-010L

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

## Xpel™ Oil Container Pumps & Hoses

### Premium Pump

Fully serviceable, color-coded, heavy-duty discharge pump with ultra comfortable D-handle grip design. Has accessory ports for Xclude Breathers and Quick Connect Kits. This downstroke discharge pump delivers 1 liter for approximately 12 strokes. Match with an Xpel Utility Lid and a 3-, 5- or 10-L / U.S. qt Xpel Oil Drum.

### Premium Pump Collar

Removable color-coded premium pump collars to support lubricant identification.

### Standard Pump

Excellent for lubricating hard-to-reach fill points. This down stroke discharge pump delivers 1 liter for approximately 12 strokes. Match with an Xpel Utility Lid and a 3-, 5- or 10-L / U.S. qt Xpel Oil Drum.

Pump Type	Part Number
Premium Pump	LEX-PP**
Premium Pump Collar	LEX-PBC-**
Standard Pump	LEX-STPUMP

### 5' Hose

5' Anti-drip hose screws into Standard & Premium Pumps. Available as replacement for when longer reach is required.

Size	Part Number
5' hose	LEX-PH-005
5' hose (1/4" NPT male end)	LEX-PH-007

### 10' Hose

10' Anti-drip hose screws into Standard & Premium Pumps. Available as replacement for when longer reach is required.

Size	Part Number
10' hose	LEX-PH-006
10' hose (1/4" NPT male end)	LEX-PH-008

### Stumpy Spout Hose Extension

Attaches to Stump Lid to help with awkward or hard-to-reach fill points.

Part Number - LEX-SS-HOSE

### Stretch Spout Hose Extension

Attaches to Stretch Lid to help with awkward or hard-to-reach fill points.

Part Number - LEX-ST-HOSE

\*\* Add the color designation to complete the part number. It consists of two characters and can be referenced using the color chart on page 1.

## Xpel™ Oil Container Accessories

Type	Description	Part Number
Pump Reducer Nozzle	Fits to aluminum anti-drip discharge pipe on the outlet end of the pump hose and reduces the outlet diameter to approximately 1/4", making oil top-off to very small fill points easy, simple, fast & clean.	LEX-PR-NZL
Spout Valve Kit w/ Mini Lid	Twist-top spouts on Xpel lids provide for secure sealing of containers and make it easy to get the lid into position for pouring without accidental spills. Replacement spout valve kits are available and come with Nitrile O-rings.	LEX-SVK-ML1
Spout Valve Kit w/ Stretch Lid	Twist-top spouts on Xpel lids provide for secure sealing of the containers and make it easy to get the lid into position for pouring without accidental spills. Replacement spout valve kits are available and come with Nitrile O-rings.	LEX-SVK-S1
Spout Valve Kit w/ Stumpy Lid	Twist-top spouts on Xpel lids provide for secure sealing of the containers and make it easy to get the lid into position for pouring without accidental spills. Replacement spout valve kits are available and come with Nitrile O-rings.	LEX-SVK-S2
Valve Kit - Air Breather	Replaces auto-shutoff air breather button on Xpel Spout Lids. Comes complete with Nitrile O-Rings. Fits Stumpy, Stretch & Mini Spout Lids.	LEX-VKB-001
Male Adapter	¼" Npt Male Adapter/O-Ring for use with Xpel Premium Pump. Brass fitting provides for secure and robust fitting of quick connects.	LEX-ADO-014
Pump Extension Sleeve	Replacement extension sleeve comes standard with Nitrile O-ring for both Standard & Premium Pumps.	LEX-ESP-001
Nitrile O-Ring Kit	Main Lid Seal - Nitrile	LEX-NOR-001
	Mini Spout Lid - Nitrile (replace all four O-Rings in lid)	LEX-NOR-002
	Stretch Spout Lid - Nitrile (replace all four O-Rings in lid)	LEX-NOR-003
	Stumpy Spout Lid - Nitrile (replace all four O-Rings in lid)	LEX-NOR-004
	Stretch Hose Extension - Nitrile	LEX-NOR-005
	Stumpy Hose Extension - Nitrile	LEX-NOR-006
	Pump Sleeve for Standard & Premium Pumps - Nitrile	LEX-NOR-007
Viton O-Ring Kit	Main Lid Seal - Viton	LEX-VOR-002
	Mini Spout Lid - Viton (replace all four O-Rings in lid)	LEX-VOR-003
	Stretch Spout Lid - Viton (replace all four O-Rings in lid)	LEX-VOR-004
	Stumpy Spout Lid - Viton (replace all four O-Rings in lid)	LEX-VOR-005
	Stretch Hose Extension - Viton	LEX-VOR-006
	Stumpy Hose Extension - Viton	LEX-VOR-007
	Pump Sleeve for Standard & Premium Pumps - Viton	LEX-VOR-008
Premium Pump Quick Connect Kit	5' Hose (1/4" NPT male end) Works with Premium Pump. For operation with quick connects. Enables the container or machinery to be filled by quick connect through the pump body without removing the lid. The 10-micron breather fits to Premium Pump accessory port. Does not come supplied with male or female quick connects.	LEX-QC-004
	10' Hose (1/4" NPT male end) works with Premium Pump. For operation with quick connects. Enables the container or machinery to be filled by quick connect through the pump body without removing the lid. The 10-micron breather fits to Premium Pump accessory port. Does not come supplied with male or female quick connects.	LEX-QC-010
Premium Pump Breather (Included with Premium Pump Quick Connect Kits)	10-Micron breather screws into accessory port on Premium Pump.	LEX-PB-010
	3-Micron breather screws into accessory port on Premium Pump.	LEX-PB-003
Utility Lid Cap	Replacement cap for utility lid	LEX-CUL-001
